CHALLENGER

Champion. The name speaks for itself. Dedication. Performance. Achievement. That's what we do and who we are. Our customers deserve quality and the peace of mind that only a skilled workforce with an ever-onward dedication to safety can provide. From small to mid-size transit buses, Champion's product lines always earn a spot on the podium. Now that's something to be proud of.

Choice is the name of the game with the Challenger model. This shuttle bus offers dozens of floor plans to accommodate up to 25 passengers, a Ford and Chevrolet chassis, and a variety of lengths to fit your transportation needs.
