a. Resolution 2026-07 Authorizing Submission of Proposed Redistricting Map

Background: Curry Public Transit has formally requested that the Coos County Area Transit District (CCATD) consider redistricting to incorporate Curry County, a move that underscores the importance of consolidating transit services for enhanced sustainability and continuity along the southern Oregon coast. This initiative aims to streamline operations and improve service offerings by returning to a shared governance model reminiscent of the 1980s and 1990s, which aligns more closely with current transit patterns. Established as an independent municipal corporation, CCATD was designed to enhance administrative efficiency in navigating complex grant cycles, and this annexation is in line with its Transit Master Plan to foster better coordination with rural services. By integrating the two areas, the proposal promises to create a critical core of transportation services that meets the needs of the region more effectively.
